FROM

K. Chandy, Esq., B.A.,
Revenue Commissioner in Mysore.

To

Chief
The Secretary to the Government of
His Highness the Maharaja of Mysore,
~~Bangalore.~~

SIR,

In forwarding herewith for the orders of Government copy of Kolar Deputy Commissioner's letter No.H.C.315/18-19 dated the 2nd instant re the appointment of a Food Inspector to help the Amildar of the Bowringpet Taluk, I have the honour to state that under Government Order No.G.22259-72/P.P.134-18-470 dated the 2nd April 1919, only one Food Inspector was appointed in the District for a period of three months from 11th May 1919 to 12th August 1919. Even after the latter date, it was found that the Amildar of Bowringpet Taluk could not, without detriment to ~~xx~~ his other duties, attend to the work of receiving, checking and distributing among the Talukas big consignments of Burma rice received at Bowringpet and the Deputy Commissioner, placed Mr. Surappa, Revenue Probationer, in charge of the Grain Depot at Bowringpet in the absence of a Food Inspector. It was pointed out to the Deputy Commissioner that the appointment of a Revenue Probationer under training, as Food Inspector without the orders of Government was irregular. The Deputy Commissioner now reports that a Food Inspector being absolutely necessary, he has, in anticipation of sanction, appointed Mr. K. Venkatesa Sastry, Taluk Sheristedar of Chikballapur as Food Inspector and requests sanction to his appointment for another three months. Under the circumstances

the

the Deputy Commissioner's proposal may be sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

K. Beaudy

Revenue Commissioner.

B.R.

Letter No.H.C.315/18-19 dated 2nd October 1919 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that the necessity for a full time Depot Officer for the Bowringpet Rice Depot is still being keenly felt, although Rice is now booked direct to the other Taluks except Mulbagal. As Mr. K. Subba Rao Naik wanted leave he was reverted and Mr. R.V. Surappa, Revenue Probationer, attached to the Kolar Taluk Office, was deputed to be in charge of the Depot. To this the Revenue Commissioner took objection and thereupon he was called back. Owing to heavy transactions in the Bowringpet Treasury, the Services of the Taluk Sheristedar cannot be made use of, as might be possible in the other places, for the Depot work, and the regular work of the Amildar has already suffered to some degree as he had to devote much of his attention to the Food work. I do not think it advisable that he should any longer be saddled with this work in view of the fast approaching Viceregal visit, and the ensuing Taluk Jamabandy which require his personal attention and constant absence from Head Quarters; nor do I think it safe to entrust this important work involving money transactions and equitable distribution of rice, to other low paid Taluk Official such as, Gumastas. Accounts in connection with the purchase of Ragi when commandeering operations were in force and the advances, etc., in respect of Burma Rice in the District have to be settled, and these, I think require the services of a separate whole time Officer and I wish to place the Food Inspector on this work also, whenever he can be spared from Bowringpet Depot.

Under these special circumstances, I request you to kindly obtain the immediate sanction of Government for the continuance

of

of the Food Inspector for three months more, as already recommended in my letter No.Ref.H.C.315 dated the 11th July 1919.

As there was no responsible Officer for the charge of the Depot, ever since Mr. Surappa was withdrawn, I have appointed Mr. K. Venkatesa Sastry, acting Taluk Sheristedar of Chikballapur, who has been highly spoken of, by the Sub Division Officer and whose good work in connection with Food Supply was also noticed by the Revenue Commissioner, when he last visited Chikballapur, as Temporary Food Inspector, and posted him, to the charge of the Rice Depot at Bowringpet.

I request the sanction of Government, may kindly be obtained to my proposals, at a very early date.
